

## healthEconnect Portal Release Notes October 30, 2023

Below you will find information on recent updates and enhancements now available in the Health Information Exchange. If you would like additional information about these new features, please contact us at [info@healthconnectak.org](mailto:info@healthconnectak.org) or call us at 907-770-2626.

### SSO Application Section Added

Prior to this release: Applications EHR users could single sign on (SSO) launch like the Consent Tool, Create Referral, MyDirectives, and PDMP were all separate data subtabs.

For this release: A new menu option “Apps” has been added to the data subtabs, which will house all the SSO apps listed above.
