HIE and National Networks under Structured Documents

Platforms affected: HIE Portal, Single sign-on InContext app

Prior to this release: The Structured Documents subtab did not contain a HIE or a National Networks Structured documents tab.

For this release: The Structured Documents subtab (within the Clinical Data tab) will show you which documents are from the local Alaska HIE network or from outside Alaska Networks. The HIE and National Network subtab will show new icons. The full icon list is below.

The screenshot shows the 'HIE InContext' portal for a user named Anna Cadence (Female, Nov 16, 1981). The 'STRUCTURED DOCUMENTS' tab is active, and the 'HIE' filter is selected. The table below lists the documents:
