

August 28th 2023 healtheConnect Portal Release Notes

Below you will find information on recent updates and enhancements now available in the Health Information Exchange. If you would like additional information about these new features, please contact us at support@ak-ehealth.org or call us at 907-770-2626

Banner (display)

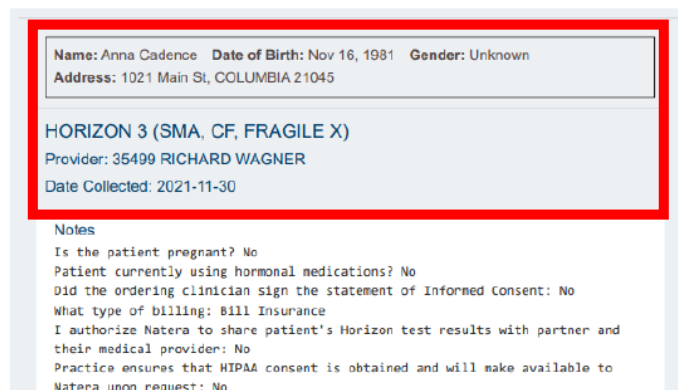

Platforms affected: HIE Portal

For this release: A banner has been added to the portal if you are using Internet Explorer. As of December 31, 2023 the HIE Portal will no longer be accessible using Internet Explorer. The portal will continue to work in Google Chrome, Microsoft Edge, and other browsers. We recommend using Google Chrome for the best experience.

New Demographic Data Placement in Health Record PDF

Platforms affected: Single sign-on InContext app

For this release: When downloading a health record from the HIE, the demographics on the downloaded PDF will now look more like it does when viewing the health record in the portal.
